

Packager

Dry Dock Brewing Company, located in Aurora, CO, is seeking a full time Packager. Dry Dock is a regional brewery which operates two separate breweries, a 7 BBL tasting room (South Dock) and a 40 BBL production facility (North Dock).

Job Summary:

The Packager will report to the Packaging Manager and assist with packing beer in cans, kegs, and bottles. This is a mentally and physically intensive position that requires exceptional motivation and excellent professionalism in the face of a demanding and fast-paced production environment. They will be safety-minded, efficient, quality-focused, have a great work ethic, a positive attitude and be part of the team.

Essential Duties and Responsibilities:

- Complete all tasks associated with the canning process including but not limited to loading and unloading of the can palletizer, catching and stacking of 6 and 12 packs on a pallet, proper stacking of cases on pallets, folding boxes and trays, identifying cans and packaging material damage, properly loading of Paktechs and cartons, shrinking wrapping pallets, etc.
- Complete all tasks associated in the bottling process including but not limited to catching and boxing of full bottles, labeling bottles, proper stacking and wrapping of cases, identifying quality issues in labeling or filling, etc.
- Complete all tasks associated with the kegging process including but not limited to cleaning and scrubbing keg shell exteriors, competent use of the keg washer and filler machine, correctly labeling of keg collars and pallet shrinkwrap, repeated lifting and palletizing of full kegs weighing in excess of 150 pounds and proper clean in place procedures.
- Operate the floor zamboni properly
- Complete the staging and wrapping of pallets
- Complete general warehouse cleaning, organizing and inventory.
- Use personal protection equipment
- Identify safety concerns regarding the can depalletizer, can filler/seamer, bottle filler, label applicator, Filtec, PakTech, Econocorp, CIP pump, conveyors, keg washer, keg filler, pallet wrapper, floor zamboni and general warehouse / brewery.
- Follow proper sanitary, OSHA and GMP procedures.
- Alert the Packaging Manager of potential quality, safety or personnel concerns.
- Follow sanitary procedures and maintain a safe work environment.
- Other duties as assigned.

Preferred Experience and Skills:

- Ability to multitask and manage time while being detail oriented.
- Excellent troubleshooting skills.
- Strong mechanical background.
- Love of craft beer and knowledge of the industry.

- Experience in forklift operation including training others.
- Ability to work both independently and within a team environment as a leader and problem solver.
- Ability to work at a fast pace, in high pressure situations, while maintaining professionalism and composure.
- Flexible schedule and adaptive to change.
- Ability to learn quickly and apply new procedures and skills.
- Strong organizational skills.
- Is generally happy and can have fun, even on high stress and demanding days.
- Need to be self-motivated.
- Ability to multitask and manage time while being detail oriented.
- Reliable transportation.

Physical Demands

- Standing for long periods of time.
- Frequent walking, bending, twisting, kneeling, climbing, stooping, crawling and crouching.
- Must be able to correctly lift up to 50 lbs to shoulder height and push or pull up to 160 lbs.
- Use of ladders.
- Use hands, fingers to wrist and maintain fine digit manipulation and must be able to fully extend arms.
- Must be able to maintain adequate vision (with or without corrected lenses). Adequate peripheral vision is also necessary for safety purposes as are depth, distance, and ability to focus.
- In performance of job duties, employee is routinely required to communicate effectively with coworkers.
- Physical ability to handle pallets of inventory that weigh up to 2,100 lb. using a pallet jack.
- Must be able to work in hot, cold, wet, loud, and unpredictable environment.
- Must be able to work around steam, electricity, harsh chemicals, and solvents.
- Ability to perform repetitive tasks in a production-line setting.
- This position may come into direct contact with hazardous materials such as chemicals, noise and equipment. Hazardous materials include CO2 as well as loud noises as part of the brewing process.

Salary and Benefits:

Salary: \$15.75 - \$17.00 / hour. Benefits include health care, dental, vision, short-term and long-term disability, 401k, life insurance, paid sick leave, paid vacation and free beer.

Equal Opportunity:

Dry Dock Brewing Co. is an equal opportunity employer and does not discriminate on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, or marital/familial status.
